State / Location Cash Assistance Programs (General Assistance)	9,100	9,000	2,900	\$4,044	\$1,524,588	\$3,049,176
				Estimate Total Annual Impact	\$39,023,078	\$78,046,157

1. All individual counts are rounded to the nearest hundred.

2. Number of households estimated from number of people using U.S. Census estimate of average 2.79 people per household in Alameda County, CA.

3. Number of households with at least 1 immigrant estimated from number of households receiving benefit using U.S. Census Bureau estimate of 31.7% of households having at least 1 immigrant in Alameda County, CA.

4. In the last 12 months prior, immigrants made up 25.87% of enrolled participants in SSA program. Esitmates half (~13%) withdraw/forgo within the next year: assumes conservatively that only one immigrant per household receives benefit.

5. Esitmates actual percent (26%) withdraw/forgo within the next year: assumes conservatively that only one immigrant per household receives benefit.
